ESTATE VINEYARDS, NAPA VALLEY

VARIETAL %'S: 92% Cabernet Sauvignon, 8% Petit Verdot

WINE CHEMISTRY: pH 3.7 TA 6.2 g/L Alc 14.5%

HARVEST NOTES: The 2012 growing season was a welcome respite from the challenges nature posed in 2010 and 2011. The season began early with the vines setting a bountiful crop. Our grapes thrived in excellent growing conditions and developed complex flavors supported by a refined phenolic profile.

VINEYARDS: Estate: located at the winery, faces west from the side of Howell Mountain and has a slope averaging 22%. The soil is composed of "Tuff" a volcanic ash, allowing the vineyard to drain very well.

Inkgrade: An eastern-facing mountain vineyard, located in a frost free zone between the valley floor and mountain top with ancient marine sedimentary soils.

WINE DESCRIPTION: Complex aromas and flavors of blackberry, cassis, cherry, vanilla, spice. This rich, mountain wine shows true Cabernet flavor, densely packed, and with a full body.
