

CHATEAU LES REUILLES BLANC

BORDEAUX SEC Blanc (Dry white)

Ownership & history:

Château Les Reuilles is made by Patrick Todesco, a third-generation winemaker at his award-winning estate in Savignac de Duras. It is located on the far east side of the Bordeaux region. This quiet corner of the world is where Bordeaux spreads into its satellite appellations, and Les Reuilles borders the lesser known Côtes de Duras appellation. The climate here is slightly warmer and dryer than that of its neighbour. The Todesco family are renowned for their hospitality and propose that you stay in their bed & breakfast, which has great views over the region.

Harvest, vinification & ageing:

The harvest is mechanical and the grapes are completely de-stemmed. Skin-contact maceration is carried out for 48 hours in order to extract the primary aromas from the grapes. Fermentation takes place in stainless steel vats with careful temperature control (18°C).

Tasting:

This wine is a brilliant yellow colour with green tints. It is intense in the mouth, showing strong characteristics of the Bordeaux expression of the Sauvignon grape, full of citrus fruit/leafy aromas. A refreshing acidity is balanced with notes that are almost sweet, and the finish shows great length.

Blend:

100% Sauvignon Blanc
