

## **97 ALAIN VOGÉ Cornas Les Vieilles Fontaines 2012**

The 2012 Cornas Vieilles Fontaines is one of the true superstars in this vintage. First made in 1998, it comes all from the La Fontaine lieu dit (located in the southern part of the appellation) and spends 24 months in roughly 25% new French oak. Decadent, polished, and loaded with fruit, it exhibits killer notes of crème de cassis, crème brûlée, liquid violets and caramelized meats. Full-bodied, concentrated and layered, with sweet tannin and fantastic mid-palate depth, it's an incredible wine that will have two decades of longevity..
