Only one cuvee of St.-Joseph is produced. The 2010 St.-Joseph Les Vinsonnes comes from a hillside vineyard planted in granite soils above the tiny one-horse village of Mauves. Its deep ruby/plum/purple color is followed by aromas of strawberries, black cherries, powdered rock and bouquet garni. Medium-bodied with abundant fruit and light tannin, this impressively made St.-Joseph should drink well for 7-8 years.. –JM. 11/15/2009
