LES CHAILLES

2016

## **94** **Domaine Alain Vogé** **Cornas Les Chailles 2016**

Within Alain Vogé's spectacular lineup of wines, Les Chailles suggests a fresher, more youthful expression of Cornas, highlighting pristine, primary blackcurrant and cherry flavors. Whispers of leather and an intense granitic backdrop, however, confirm the producer's trademark complexities. Enjoyed now, it's vibrant and freshly fruited but should gain greater mineral and savory complexities through 2036.
