LES VIEILLES VIGNES

2018

92-96 **Domaine Alain Voge** **Cornas Les Vieilles Vignes 2018**

Fraisse expects to bottle the 2018 Cornas Vieilles Vignes in June 2020, after approximately 20 months of élevage. A fifth of the wine was vinified with whole clusters; 15% new oak is being utilized. Painfully young and estery, this is lifted and perfumed—spicy, but loaded with black cherries and plums. Medium to full-bodied, it's silky-ripe and almost lush in texture, yet it has a firm-enough backbone to sustain it through 15 years of longevity.
