

## **94-95** **Domaine Alain Voge** **St. Peray Fleur de Crussol 2018**

Green-tinged straw-gold. A highly complex bouquet evokes ripe citrus and pit fruits, along with suggestions of chamomile, jasmine and smoky minerals. Juicy, penetrating and chewy on the palate, offering intense, mineral-laced tangerine, pear nectar and honeysuckle flavors that deepen and spread out through the mid-palate. The mineral and floral notes drive a strikingly long, incisive finish that leaves a suave floral note behind.
