25% Roussanne**

**75% Grenache,
25% Syrah**

**75% Syrah,
25% Grenache**

The Costières de Nîmes AOP is located in the southernmost part of the southern Rhône Valley, nestled between the valley of the Gardon River to the north and the Mediterranean Sea to the south. The vineyards for Preference are highly typical of the appellation with large smooth stones from alluvial deposits from the Rhone on a clay-limestone subsoil. Each cuvee is sight selected, with fresh varietal flavors and balance.
