## **91-93** Alain Voge Saint-Péray Fleur de Crussol 2020

The 2020 Saint Peray Fleur de Crussol—from 80-year-old Marsanne vines—is more typical Saint-Péray than the Ongrie bottling, offering up more subdued pear and melon aromas. Vinified and matured in a similar mix of 228-liter and 400-liter barrels (30% new), it's medium to full-bodied, ripe and round, charming and easy to drink, with a splash of lime on the long finish.
