

# CHATEAU LES REUILLES

## BORDEAUX Rouge

### Ownership & history:

Château Les Reuilles is made by Patrick Todesco, a third-generation winemaker at his award-winning estate in Savignac de Duras.

The Todesco family are renowned for their hospitality and propose that you stay in their bed & breakfast, which has great views over the region.

### Vineyard & location:

It is located on the far east side of the Bordeaux region. As HVE certified vineyards, it stands for high level of commitment to protecting and enriching the environment.

### Harvest, vinification & ageing:

After meticulous harvests, grapes are fermented in temperature-controlled stainless steel vats in order to bring out the primary fruity aromas. During fermentation, micro-oxygenation is carried out, which softens the tannins, stabilises the colour and underlines the freshness and fruitiness of the wine. The wine is matured in underground concrete vats which preserve the fruity aromas of the wine.

### Tasting:

Château Les Reuilles has a beautiful garnet red colour. The nose is particularly marked by the Cabernet Sauvignon and some paprika notes. On the palate, the wine is round and fruity, with smooth tannins and a good length. It goes well with all kinds of meat.
