Case Production:	1,353 cases bottled on January 31, 2022
Aging:	100% stainless steel fermented and aged

TASTING NOTES

Lemongrass stands out in our Sauvignon Blanc year after year, and the 2021 vintage is no exception. It is joined with Asian pear, delicate lilac and white peach for an inviting aromatic experience. Pear returns on the palate with lemon peel, passionfruit and mango. The bright acidity elevates these tropical flavors to a rich mouthfeel that finishes with a hint of granite minerality.

WINEMAKER'S PRODUCTION NOTES

The cold and slow, 30-day fermentation preserved the delicate aromas and velvety finish. Our Domenico Estate Vineyard has ideal conditions for producing an expressive and balanced Sauvignon Blanc.

SUGGESTED FOOD PAIRING

Frutti di Mare
