93 Clos de la Tech Pinot Noir Domaine Lois Louis Cote Sud 2017

The entire lineup of Clos de la Tech wines walks on a different plain than most other Pinot Noir, so consumers should be aware of the unique expressions to expect. This block designate may be most familiar, appearing dark in the glass and rich on the nose with smashed blackberry and dark, exotic spices. The palate is more fruit-driven than others, with tannins, acidity and loamy, squid ink touches to balance the boysenberry, nutmeg and vanilla flavors. —M.K.
