CHAPELLE SAINT-PIERRE

2021

92 Domaine Alain Vogé **Cornas Chapelle Saint-Pierre 2021**

The 2021 Cornas Chapelle Saint-Pierre is the third rendition of this cuvee, following the 2016 and 2018. Vinified from fully destemmed grapes and grown on up to 35-year-old vines, it saw no new oak. Pronounced sour cherry and blackberry notes rise up from the glass. Wafts of pencil shavings and iodine add ferrous complexity. Medium-bodied at most, this is a polished and refreshing Cornas that won't demand much time before coming around.
