93 **Domaine Alain Voge** **St. Peray Fleur de Crussol 2022**

A fluid, round version, with a honeyed edge to the earth, salt and green almond notes that sit atop a modest core of crunchy orchard fruit, sun tea and plum. Toast and buttercream add richness, with lemony acidity zinging through and cleaning up the finish. Salty and smoky, with savory power and finesse. Drink now. 500 cases made, 40 cases imported. — KB
