

92 Clos de la Tech Pinot Noir Domaine du Docteur Rodgers 2018

Within the context of the other 2018 Pinot Noirs in this lineup from Clos de la Tech, the 2018 Pinot Noir Domaine du Docteur Rodgers stands out for its textural harmony. Cool-toned, juicy and softer than the others, it sneaks its way into every available corner of the mouth, brushing insistently against the tongue and cheeks with spicy, ultra-fine tannins. As with all of these wines, it's a Pinot of structure more than fruit and aromatic expression. Tobacco, tar and forest floor notes hold down the bass notes, while dark cherry and violet tones riff over the top.
